

OFFICE OF FRATERNITY & SORORITY LIFE

Organizational Compliance Acknowledgement

Please return this form to your Chapter Coach prior to beginning any new member education/member intake process(es).

As the president and new member educator or membership intake officer, we certify that all activities sponsored or required or suggested for participation of new members, candidates, and/or aspirants will comply with our inter/national sorority/fraternity policy, University of Central Florida's *Golden Rule*, Florida law, and federal law.

We understand no student should be demeaned or harmed for the purpose of being in a student organization, even if a student gives consent, and that any activity that humiliates, degrades or risks emotional and/or physical harm is hazing.

We understand that failure to uphold institutional, state, or inter/national organization hazing policies will result in a referral to the Office of Student Conduct and Academic Integrity for an organizational violation (i.e. the sorority/fraternity chapter may face charges), and/or a referral to Student Conduct and Academic Integrity for an individual violation (i.e. the individual or individuals within the sorority/fraternity chapter may face charges).

We acknowledge that participation in any form of hazing activity, as well as having knowledge of such activity and failing to take appropriate action to prevent or stop it, constitutes a violation of applicable policies and standards. Furthermore, we recognize our affirmative duty to actively prevent and address any acts of hazing directed toward new members, candidates, or aspirants of our chapter. This obligation extends to actions perpetrated in the name of our organization by any individual, including but not limited to members of other chapters or organizations, graduate or alumni members, and individuals affiliated with our organization at other institutions of higher education. Failure to report any such activity of which we become aware may result in a personal referral to Student Conduct and Academic Integrity.

Our signatures below certify that we have read, understand, and agree to abide by the rules and laws related to hazing at the University of Central Florida.
